**Trading Standards**

Fees for the purpose of any work carried out under the provisions of Weights and Measures Act 1985 and for any other metrological activity.					
For the testing of any equipment, the fee will be determined by the hourly rate of the Weights and Measures Inspector and will include a fee for time for preparation and travelling to the place of verification or testing. Where the nature of the equipment requires the presence of support staff, an additional fee will be charged to include an hourly rate for the member of staff and will include travelling to the place of verification or testing.					
An additional charge will be made to cover the cost of hiring any additional equipment required for the test.
