Date 7<sup>th</sup> August 2013

Dear Sir,

**CONSULTATION ON CIL DRAFT CHARGING AND SUPPLEMENTARY GUIDANCE**

I refer to your consultation letter dated 24<sup>th</sup> June 2013, and I would advise that having reviewed the three documents for consultation the Welsh Government (Transport) as highway authority for the motorway and trunk roads have no comments to make on the proposed RCT Community Infrastructure Levy and Draft Charging Schedule and Supplementary Guidance.

Yours faithfully,

**Claudia Currie**  
Route Engineer  
Transport Division
