Access Points

pass

Heads of the Valleys

- Minor Road Accessible Natural Greenspace Assessment
- fail Alley
- Motorway
 A Road
 PRoW
- RCT 10km to nearest greenspace over 500ha

This map shows the final Greenspace dataset used for the analysis, the results of the analysis and the network used to calculate the results. The legend indicates pass/fail for each Census Output Area, red shading indicating failure and green shading pass. The greenspaces themselves are shown as darker green polygons.
