YGG Castellau – Her Hwyl (Fun Challenge)

Staff and pupils at YGG Castellau developed a project which aimed to improve playtime on the yard. They wanted to encourage boys and girls to play together whilst using the Welsh language. They also wanted to provide more opportunities for children to be active and to try something new and challenging.

The Sports Council wanted to improve the use of the yard and also to reduce the amount of sports equipment getting broken. They developed something called 'Her Hwyl' (Fun Challenge). Each fortnight the sports council worked with teachers to set a new challenge using different equipment. Feedback from children was fantastic! The new and exciting challenges engaged boys and girls of all ages and it created a real buzz in the playground.

To build on the success of this project the school plan to launch a Sports Council after school club next. This will be used to learn new games, which can be used at playtime. This club will be linked with their 'Cewri Castellau' Club to ensure that all games are through the medium of Welsh using correct terms and words, improving and developing the pupils' Welsh vocabulary even further.
