PWNC | SUBJECT: 'Storm Dennis' – Financial Support for Residents and Businesses

PENDERFYNIAD | DECISION:

A Cabinet Steering Group (**Major Incident Recovery Board – FEBRUARY 2020 'STORM DENNIS' FLOODING EVENT**) has been established to ensure an Authority-wide approach in the delivery of services and the prioritisation of resources following the major weather incident declared by South Wales Police as result of severe rain and flooding caused by Storm Dennis. The Board will lead business continuity planning in the immediate period following this weather event and will continue to monitor the progress of associated action(s) agreed as part of the recovery plan determined by the Board. This Recovery Board has been established within the Leader's scheme of delegation.

An immediate allocation of £1M has been made from the Council's General Reserves to support the immediate recovery requirement arising from this exceptional event.

It is now proposed that immediate financial support be provided to residents and small / medium sized businesses (SME's) who have been directly impacted by these extreme events. This "**Community Flood Recovery Grant**" will be in addition to and alongside the practical support that we will continue to provide.

The proposed level of financial assistance is :

- £500 per residential property (household)
- £1,000 per business property (SME)

Payments will be made for the purpose of a contribution toward the cost of the damage to property and / or belongings.

The Director of Finance and Digital Services will be responsible for putting in place the arrangements for the grant, including the qualifying criteria, and payments will be made as soon as is practicably possible.
