Why do we run the survey?

- 1. **Measure** and **monitor** who is participating frequently in sport
- 2. Provide **insight** for future interventions and investment **decisions**
- 3. Tell the compelling **story** of sport

What has changed since 2015?

- 1. Added questions around **wheelchair** and '**para**' sports
- 2. Added gender options '**other**' and '**prefer not to say**'
- 3. Included **special schools** in the national data

What is the survey's reach?

- **120,175** pupils voices were captured
- **1,095** schools took part
- **4,447** responses were achieved in a single day on 13th July, 2018

AWARENESS

"Without awareness of an opportunity accessing it is impossible"

How is your school making pupils **aware** of sporting opportunities?

Does your school have a **website** which could be used to promote sports opportunities?

Does your school have a **newsletter**? Is it used for making pupils aware of opportunities to take part in sport?

Are sports opportunities announced within the **school assembly**? If not, could pupils announce these?

Do you have **young ambassadors** or **sports councils** at your school? How could they be promoting sport within your school?

Does your school use **social media** to promote sports opportunities for pupils?

How could **parents** or your school's **PTA** help to spread the word about sports opportunities at the school?
