Some new words in this booklet

There are some words in this booklet you might not know, we have described them here for you:

Well-being	This means when a person is happy, healthy and is comfortable with their life and what they do
Objectives	This means things that the Council wants to do
Heritage	Things that make us Welsh and Rhondda Cynon Taf our home
Carbon	A gas that is bad for nature

Introduction

We are your local Council

We want to make where we all live the best place to live and work for everyone

This is our plan to make sure that happens

Our objectives for People and Communities

We want everyone to live a safe and happy life

We want children to have a great life, go to school and be safe

We want the people that live here to be able to take care of themselves and to be healthy

We want people to be able to live in good houses that they can afford

Our objectives for Work and Businesses

We want more work and businesses where we live

We want to help people find great places to work in

We want our town centres to be busy with lots of people and shops

We want everyone to be able to catch buses and trains easily

Our objectives for Nature

We want to keep where we live beautiful

We want to protect the green places

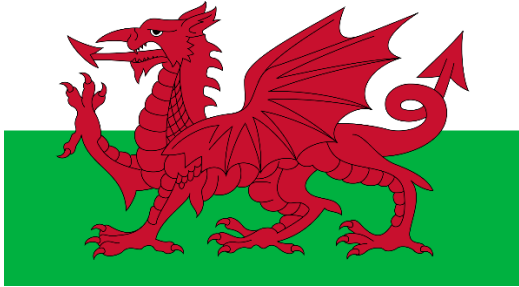

We want where we live to be clean, safe and everyone to recycle their rubbish

We want everyone to enjoy nature here

Our objectives for Heritage

We want to celebrate our Welsh history

We want everyone to be welcome where we live

We want to protect and remember our history

Our Promises

**We will do what we say,
and we want you to tell
us if we don't do it**

**We will make the
difficult choices when
we must**

**We will talk to you
about the choices we
make**

We will talk to everyone to find the best ways to do things

We will make sure the Council works well and doesn't waste money

We will reduce the amount of carbon we use by 2030

We will always tell everyone what works well and what we need to do better

We will make sure we have plans for when unexpected things happen

We will make how the Council does its job better
