

SCRUTINY WORK PROGRAMME **OVERVIEW & SCRUTINY**

'Holding the Executive & Council to account in respect of all three priorities within the Council's Corporate Plan'

Each of the Council's Scrutiny Committees is responsible for setting and agreeing its own work programme by identifying a list of themes and topics which fall under the remit of each individual Scrutiny Committee. Following discussion with the Chair, Vice Chair and Scrutiny Members a practical, realistic and timetabled programme can then be developed.

The scrutiny forward work programmes should provide a clear rationale as to why particular issues have been selected; be outcome focussed; ensure that the method of scrutiny is best suited to the topic area and the outcome desired; align scrutiny programmes with the council's performance management, self-evaluation and improvement arrangements.

Throughout the year, there are a number of ways in which additional issues can be considered for inclusion in the Scrutiny Work Programme and ideas for inclusion may come from a number of sources such as:-

- Individual Councillors;
- Performance or budget monitoring information;
- Inspection reports;
- Referrals from Council (such as Notices of Motion), Cabinet/Audit or other scrutiny committees;
- Service users;
- Monitoring the implementation of recommendations previously made by the Committee; and
- Local Residents

The Cabinet is also required to produce forward work programmes and the Overview & Scrutiny Committee keeps abreast of forthcoming items or topics which may enable scrutiny to be involved in the development of Council policy prior to its formal consideration by Cabinet. It is important to bear in mind that an element of flexibility is applied to each individual work programme that provides Committees with the capacity to scrutinise new / urgent issues that arise during the year.
