

IMPORTANT CHANGES TO YOUR RECYCLING AND WASTE COLLECTIONS

Your Recycling and Waste Collection day will be **MONDAY**

Dear Resident,

Let's Up Our Recycling Game. Let's hit the Welsh Government target of 70% by 2024/25 to help combat climate change and avoid the Council receiving large fines.

From 3rd July 2023 the Council will move black bag and wheelie bin waste collections to 3-weekly. Changing your general waste schedule will save the Council money, allowing it to invest in other key services and contribute to reducing its carbon footprint.

All recycling collections will remain weekly.

YOUR RECYCLING AND WASTE COLLECTION DAY WILL BE A **MONDAY**

Type of Waste	Collection Day	Frequency of Collections	Container
Black Bag and Wheelie Bin Waste	Monday You are GROUP A	3 WEEKLY (Please refer to the enclosed calendar for your 3 weekly collection dates.)	<ul style="list-style-type: none"> • 240 litre bin, or • 120 litre bin plus one black bag, or • 3 black bags.
Recycling	Monday	Weekly	Clear Recycling Bag
Green Waste	Monday	Weekly (Summer)	Green Waste Sacks*
Food Waste	Monday	Weekly	Food Waste Bag
Nappies and AHP	No change	Weekly	Purple Bag*

*registration is required to use this service

For further information on recycling and food waste or to register for free nappy and green waste collections, please visit www.rctcbc.gov.uk/recycling or call the Council on **01443 425001** (Please note: we are expecting high call volumes during this period, so please use the online options where possible).

Register now for the latest Council service updates at www.rctcbc.gov.uk/ServiceUpdates. You can also view your new bin collection calendar at www.rctcbc.gov.uk/BinDay.

WE CAN SORT OUT RECYCLING TOGETHER

Please put out your recycling material in the correct bag.

On Collection Day: Place your bags at the bin collection point by 7.00am

✓ **YES please**

✗ **NO thank you**

Clear Bag Paper Only	
✓ Newspapers, magazines, office paper, cereal boxes, cardboard, junk mail, directories, catalogues, (shredded paper in a separate bag) FLATTEN CARDBOARD.	✗ Tissues or small pieces of paper.
Clear Bag Mixed	
✓ Tins, cans, foil, glass bottles and jars, plastic bottles, tubs, yogurt pots, beverage cartons, aerosol cans. Please remove tops, wash and squash.	✗ Ceramic material or broken glass, cling film, crisp packets, polystyrene meat trays or knives, Lateral Flow Tests, PPE or face masks.
*Green Waste Sack	
✓ Garden waste, leaves, grass, hedge cuttings and flowers. Used sawdust bedding from small, hutch animals e.g. guinea pigs, rabbits, mice.	✗ Soil or stones, wood, Japanese Knot Weed, meat, fish, bones or animal food products, cooked vegetables, nappies, animal waste (faeces or cat litter), bagged green waste. These contaminate compost.
Food Waste Bags	
✓ Fruit, vegetables, meat, fish, cooked and uncooked food, leftover food, egg shells, bread, pasta, cereal, rice, tea bags, bones, coffee grounds, chip paper, cream cake boxes, pizza boxes and pet food.	✗ Plastic (including plastic bags from food packaging), metal, glass or any other polystyrene. Bread bags, takeaway cartons, foil. No garden/green waste. Any other household waste.
*Purple Nappy Recycling Bags	
✓ Nappies, wipes, incontinence pads, nappy bags.	✗ Plastic wipe packets, clothing tags, other bedroom waste or sanitary waste.
Rubbish Bin	
✓ Put all other household waste into the normal black refuse bag, including, animal waste (reptiles, dogs and cats), stoma bags and feeding tubes.	✗ Recyclable materials which could go into any of the recycling bags. DO NOT use any of the recycling bags for your refuse. At least 80% of your household rubbish can be recycled.

Sharps and clinical waste are collected differently and you need to register to be part of this service. For more information visit: www.rctcbc.gov.uk/clinicalwaste

PLEASE WASH IT BEFORE YOU BAG IT!

Bags can be obtained from our collection points across Rhondda Cynon Taf, please visit www.rctcbc.gov.uk/bags for details.

Batteries can be recycled using the battery tubs available in libraries and Community Recycling Centres.

*You must register to use these services at www.rctcbc.gov.uk/recycling.
