Dear Sir / Madam,

Welsh Government funding has been secured to introduce a Safe Routes in the Community (SRIC) scheme in the Llwynypia area.

The proposed scheme, which is currently being developed, will introduce a 20mph speed limit, waiting restrictions and crossing facilities in various roads in the Llwynypia area.

Details of the proposals are shown on the attached drawings T2019/112/1 and 2. You may also wish to view the proposals at [www.rctcbc.gov.uk/traffic](http://www.rctcbc.gov.uk/traffic)

I shall be pleased to receive your observations on this proposal and for your convenience, a pro forma and postage paid addressed envelope is enclosed. Alternatively you may wish to respond by e-mail to: [trafficservices@rctcbc.gov.uk](mailto:trafficservices@rctcbc.gov.uk) Responses should be returned with your observations by 22/11/2019

Your comments are important to us and will help the Council in its decision making process. Any comments received will help us decide whether to make changes to the proposals and all observations relating to the scheme will be taken into consideration, however the Council will make no formal response to your comments at this stage.

I trust the above is of assistance, however if you require any further information please do not hesitate to contact me.

Yours faithfully
