“
My child came home every session saying how much fun he had!

“
I liked that it was a Family Day. We could all get involved, even my little girl in the pram. The animal characters made a great way of making it fun for the kids.

“
My daughter thoroughly enjoyed the session and as a result has started playing netball on a regular basis.

“
The change in my sons football confidence is amazing, plus he's made new friends.
