“We have been to 10 schools so far and the impact on our club has been amazing, helping us to grow as a club. It gives the children an opportunity to join a club and to make friends and get to know new people. We provide fitness and fun, and the children are just amazing. They pick up the routine quickly and learn footwork and skill.”

Aberaman LGFC

“The uptake from the schools was fantastic. Sport RCT were very efficient and organised the taster sessions at the schools, all we had to do was turn up on the day with our dodgeballs. The kids absolutely loved it, and the teachers were happy. Sport RCT gave us funding for leaflets. We handed these out at the schools, and our session exploded with numbers, we even had 43 one night! The support Sport RCT provided was critical to our club's success, we would not be running today if it was not for them. I highly recommend that any sport club get in touch with them and they will be able to provide help in whatever way they can.” **Rhondda Dragons Dodgeball Club**
