

NICKY MAY

SOUTH WALES SAINTS

RUGBY LEAGUE

Nicky is the Head of Youth Rugby for the South Wales Saints. Last season this new club had just 27 adults registered. This year, thanks to a lot of hard work, spearheaded by Nicky, the club have three junior teams - Under 8's, 10's and 14's, and over 120 players registered.

Nicky helps to coach all three youth teams. He also manages the kit and off field merch for the whole club and does regular fundraising. When he's not coaching or playing, he runs the touchline and helps in any way he can.

Nicky is the team member all clubs dream of. Nothing is too much to ask, and he always does a fantastic job. From playing, to supporting and developing other players Nicky's work is massively appreciated by everyone at the club.
