

NIGEL HILBURD

RHONDDA SUB AQUA CLUB

Nigel is a volunteer Scuba Instructor, Treasurer, and committee member with Rhondda Sub Aqua. Over the years he has had numerous other roles within the club such as Diving Officer (responsible for ensuring safe diving for all club members) and Training Officer (responsible for meeting all club training requirements and requests). Nigel has been the club's treasurer for many years, and he is an expert at keeping the books up to date and accurate! The club feel very lucky to have him. He is an active and patient instructor within the club and is a role model to less experienced members. Nigel is arguably the club's most valued member - they simply couldn't do without him!
