

# PETER SMITH

## RCT TIGERS PAN DISABILITY FOOTBALL CLUB

Peter is one of the founding members of the RCT Tigers and he has been club treasurer since the start. He is also a volunteer coach, taking weekly training sessions and managing teams for matches and tournaments.

Peter also manages a savings club for parents and organises regular social events for the club. He gives up countless hours and is the glue that holds RCT Tigers together.

Many of the junior members have learning disabilities, while others have physical disabilities. The club gives the children a safe environment to thrive in. Peter has dedicated so many years to enrich the lives of disabled children in RCT and is very deserving of some recognition.
