

# RHYS WILLIAMS

## CWM WELFARE AFC

Rhys has been with Cwm Welfare AFC as a player for a number of years, scoring countless goals in the process, but it's his work off the pitch, as a member of the club's committee that is most impressive!

Rhys runs the club's social media and is the interface between all 15 Cwm Welfare teams, acting as the club's Communications lead. In his day job Rhys is a highly skilled carpenter and being the generous guy he is, he has donated a lot of his time and expertise to the club, helping to improve the clubhouse and changing rooms ready for the new season. Rhys has fitted kitchens, flooring, built seating and benches, saving the club a considerable amount of money, and helping to provide great facilities for the club and wider community.
